Double the pleasure with less energy consumption.

Double Low Fat Fryer FR 2453

- For versatile, healthy and quick preparation without adding oil or fat
- 2x 3.25 l capacity
- Intuitive touch control

Healthy and energy-saving

For versatile, healthier and faster food preparation. No additional oil or fat is needed and there is no preheating time (as with the oven).

Multifunctional and time saving

With 8 automatic programs, you can easily prepare a main dish with side dishes in two drawers that can be set differently.

7.6 L*
VOLUME

*according to manufacturer's specifications

NOVELTY

The *all-rounder* among
the hot air fryers!

Multi Low Fat Fryer FR 2446

- 11-litre capacity
- Intuitive touch control
- Numerous accessories:
Frying basket, rotating basket, chicken rotisserie,
grill rack, 3 grids and drip tray for perfect preparation
- For versatile, healthy and quick preparation
without adding oil or fat

Cordless *flexibility.*

Our cordless series

Cables can quickly become a nuisance in daily kitchen work. With our cordless battery-powered appliances, you have complete flexibility in handling. Raw food salad is better than cable salad.

Slim and light-weight *design.*

Cordless battery hand vacuum cleaner HV 7140

- effortlessly removes pet hair, dust, crumbs and ash – even for hard-to-reach places
- Powerful digital motor
- the practical charging base also serves as a storage station for the handpiece and accessories
- 30 minutes running time thanks to powerful Li-Ion battery

NOVELTY

Passion of
fresh flavour
and a delicious
hot coffee.

Coffee

ESPRESSO MACHINES

KA 5995

**"Espresa Plus" espresso machine**

2

- integrated manometer for total control over the brewing process (brewing pressure)
- professional barista starter set consisting of solid tamper and stainless steel milk froth jug (approx. 400 ml)
- solid, professional portafilter with three inserts: suitable for one cup, two cups and ESE pods
- espresso served at the perfect temperature from the first cup thanks to the powerful thermoblock heating system
- various preparation possibilities due to integrated milk froth nozzle
- Output approx. 1,350 W / Capacity approx. 1.1 l

KA 5978

**Espresso machines**

3

- steam nozzle to froth milk for cappuccino and to prepare hot beverages
- Output approx. 800 W

ESPRESSO MACHINE ACCESSORIES

ZB 5996

**Barista starter set**

6

- professional barista starter set consisting of solid tamper and stainless steel milk froth jug (approx. 400 ml), solid metal tamper (ø approx. 51 mm / weight approx. 580 g) and silicone tamper station
- precise pouring thanks to perfectly shaped barista spout also suitable for Latte Art

FILKA

KA 4850

**Fully automatic filter coffee machine »FILKA«**

1

- Fully automatic "Cup Control": The FILKA always uses only the exact amount of water necessary for the amount of coffee you require.
- The FILKA can do "everything" thanks to innovative 5-in-1 compatibility and individually adjustable cup space: glass jug (included), thermal jug, small cup, large mug or thermal mug "To go". Fully automatically adjustable amount of coffee (100 – 350 ml) when making a cup.
- Premium quality coffee enjoyment – including sustainable gold tone filter. The optimum brewing temperature (up to 96 °C) and pre-brewing function ensure freshly ground, hot, strong coffee. Includes washable gold tone filter as an alternative to the conventional paper filter.
- A new level of user convenience: intuitive, simple and hygienic. The removable water tank makes it easy to fill and the removable coffee bean container makes it easy to clean the grinder. The powder output can be opened automatically for easy cleaning. Water filter included!
- High-quality, space-saving, ultra-slim design. Only 17 cm wide, FILKA can fit anywhere.
- Pleasantly quiet grinding process thanks to our quietest grinder to date.

JUICE EXTRACTORS

ES 3570

Juice extractor

4

- **vitamin-rich fruit and vegetable juices** in an instant, at the touch of a button
- **extra-large food chute with a 7 cm-diameter for the insertion of entire fruits or vegetables** (apples, oranges, carrots, tomatoes, beetroot and much more)
- **juice container made from BPA-free plastic** with a capacity of approx. 1,100 ml, incl. lid for foam separation
- **2 power speeds** to process soft and hard ingredients
- large detachable pulp container with capacity of approx. 2.5 l
- Output approx. 800 W

ES 3566

Juice extractor

4

- **vitamin-rich fruit and vegetable juices** in an instant, at the touch of a button
- **large detachable pulp container** with capacity of approx. 1,500 ml
- **juice container made from BPA-free plastic** with a capacity of approx. 500 ml, incl. lid for foam separation
- **2 power speeds** to process soft and hard ingredients
- Output approx. 400 W

SLOW JUICER

ES 3571

Slow Juicer

2

- **perfect results and versatile use options:** for delicious fruit and vegetables juices, healthy sorbet / ice cream, fresh jam, fruit spritzers, puréed tomatoes (e.g. for pizza dough)
- **easy-clean concept:** fewer individual parts and a slimmer micro sieve than conventional slow juicers ensures easier cleaning and assembly
- Output approx. 150 W / Capacity approx. 1,000 ml

SMOOTHIE MAKER

SM 3735

Smoothie Mix & Go

4

- 2 dishwasher-safe, detachable drink containers including lids (BPA-free)
- 1 speed setting with additional pulse function (approx. 24,000 r.p.m.)
- Output approx. 300 W / Capacity approx. 600 ml

BLENDERS

SM 3710

Blender

2

- 2 automatic power programmes for smoothies and crushed ice guarantee perfect blended results and convenient operation at the touch of a button
- variable speed control, separate pulse button (max. approx. 20,000 r.p.m.)
- Output approx. 1,000 W / 1.4 PS
- Capacity approx. 1,000 ml

SM 3737

Multimixer + Smoothie Mix & Go

2

- 2-in-1 function: incl. smoothie maker, with a dishwasher-safe, detachable drink container (BPA-free), and lid
- blender and drink bottle in one: simply replace the stainless steel blade with the lid and the smoothie "to go" is ready – convenient when you're out and about, in the office or at the gym
- detachable glass blender bowl with pouring spout, also suitable for crushing ice
- 2 speed settings with additional pulse button (approx. 22,000 r.p.m.)
- Output approx. 500 W
- Capacity approx. 1,000 ml

SM 3734

Blender

2

- detachable glass blender bowl with pouring spout, also suitable for crushing ice
- 2 speed settings with additional pulse function (approx. 22,000 r.p.m.)
- high-grade stainless steel design
- high-class in terms of aesthetics and haptics – with glass blender bowl and intuitive operation
- Output approx. 500 W
- Capacity approx. 1,000 ml

FR 2452 **NEW**

Low Fat Fryer

1

- For versatile, healthy and quick preparation without adding oil or fat
Fast, healthy and energy-saving thanks to hot air technology
- **4.3 l cooking chamber**
perfectly suitable for up to 800 g fries
- Adjustable temperature from 80 to 200 °C for preparing a wide variety of dishes
- Adjustable 60-minute timer with signal tone
- Output approx. 1,500 W

FR 2455

Compact low-fat fryer

2

- ultra-compact, space-saving slim design: requires less space than an A4-format page of paper perfect for small households and 2-3 portions of French fries (approx. 500 – 600 g)
- **intuitive LED display** with touch operation and adjustable temperature and cooking time
- **ceramic-coated frying basket** for high scratch resistance, high non-stick effect and easy cleaning
- Output approx. 900 W

DEEP FRYERS

FR 2431

Deep fryer

2

- **stainless steel housing** with detachable stainless steel dust protection lid and viewing window
- **easy to clean** thanks to removable, enamelled oil container; fryer basket and oil container are dishwasher-safe
- **Safe handling:** heating element switches off automatically when removed
- Output approx. 2,000 W

SOUS-VIDE COOKERS

SV 2451

Sous Vide Stick

2

- It can be used for pots as low as 15 cm and is thus suitable for multiple uses. Clamp for simple and secure attachment to the pot.
- **Powerful circulation pump maintains constant temperature.** Temperature can be set in the range from 0 °C to 90 °C in 0.1 °C increments with alternative display in degrees Fahrenheit (°F).
- **Absolutely waterproof in compliance with the IPX7 rating.**
- **Modern LED display with intuitive interface:** Target and actual temperature can be displayed.
- Output approx. 1,300 W

VACUUM SEALERS

FS 3610

Vacuum sealer

4

- FoodSave: fresh up to 8x longer – particularly suitable for sensitive, perishable foods – freezing without freezer burns
- OneTouch: fully-automatic vacuuming and bag-sealing process
- "Stop" function for vacuum sealing sensitive foods
- cutter for the convenient cutting of individual bag sizes, up to 28 cm in width
- Output approx. 110 W

FS 3601

Compact vacuum sealer

4

- FoodSave: fresh up to 8x longer – particularly suitable for sensitive, perishable foods – freezing without freezer burns
- PerfectFit: suitable for all vacuum bags and rolls up to 30 cm in width
- ultra-compact: compact, space-saving design
- OneTouch: fully-automatic vacuuming and bag-sealing process
- with practical function for sealing suitable containers
- with "stop" function: vacuuming and sealing processes can be interrupted at all times
- Output approx. 100 W

FS 3604

Bag sealer

6

- fully automatic vacuuming and sealing of food products
- ideal for portioning and for storing food hermetically and safely
- 2 pilot lights for vacuuming and sealing processes
- double sealing wire for tear sealing
- Output approx. 160 W

VACUUMING ACCESSORIES

ZB 3613

Vacuum bag

6

- perfect for storing or meal prepping larger portions, flavour safe, without preservatives
- sustainability: multiple use by re-sealing possible: environmentally friendly and cost-saving
- extra strong, tear-resistant foil
- with stickers for marking frozen goods
- **temperature resistance** of 100 °C up to 4 hours
- 16 x 25 cm (50 + 5 bags)

ZB 3614

Vacuum bag

6

- perfect for storing or meal prepping larger portions, flavour safe, without preservatives
- sustainability: multiple use by re-sealing possible: environmentally friendly and cost-saving
- extra strong, tear-resistant foil
- with stickers for marking frozen goods
- **temperature resistance** of 100 °C up to 4 hours
- 20 x 30 cm (50 + 5 bags)

ZB 3615

Vacuum bag

20

- perfect for storing or meal prepping larger portions, flavour safe, without preservatives
- sustainability: multiple use by re-sealing possible: environmentally friendly and cost-saving
- extra strong, tear-resistant foil
- with stickers for marking frozen goods
- **temperature resistance** of 100 °C up to 4 hours
- 30 x 40 cm (50 + 5 bags)

ZB 3625

Vacuum bag

20

- perfect for storing or meal prepping larger portions, flavour safe, without preservatives
- sustainability: multiple use by re-sealing possible: environmentally friendly and cost-saving
- extra strong, tear-resistant foil
- with stickers for marking frozen goods
- **temperature resistance** of 100 °C up to 4 hours
- 16 x 25 cm (10 bags)
- 20 x 30 cm (20 bags)
- 30 x 40 cm (20 bags)

TABLE STOVES

DK 1031

Double induction cooker

2

- 2 glass ceramic cooking surfaces with automatic pan detection
- rapid heating via even heat distribution and minimal energy loss
- cooking surfaces diameter of approx. 22 cm
- Output approx. 3,400 W

KP 1071

Induction cooker

4

- glass ceramic cooking surface with automatic pan detection
- rapid heating via even heat distribution and minimal energy loss
- cooking surface diameter of approx. 22 cm
- Output approx. 2,000 W

DK 1014

Double table stove

3

- double table stove with 2 heating elements 15 cm ø, approx. 1,000 W and 18 cm ø, approx. 1,500 W

DK 1042

Double table stove

3

- double table stove with 2 heating elements 15.5 cm ø, approx. 1,000 W and 18.5 cm ø, approx. 1,500 W

KP 1092

Table stove

4

- heating element, 18 cm in diameter and with approx. 1,500 W

KP 1091

Table stove

4

- heating element, 18 cm in diameter and with approx. 1,500 W

FREE STANDING OVENS

TO 2074

30 L

Capacity

Free standing oven with hot plates

1

- compact combination of a fully-fledged oven with two hot plates for cooking, grilling and baking with a single appliance
- easy preparation of grilled chicken with the grill function, including spit and automatic spit turning mechanism
- a range of prepping options, from French fries to cake thanks to upper/lower heat and circulating air functions, and grill rack and baking tray
- further prepping options with saucepan or frying pan on both plates at the same time, alternatively with switched on oven on the small plate
- Oven output: 1,500 W, 2 hotplates with 1,000 and 1,500 W, total output: approx. 2,500 W

TO 2073

60 L

Capacity

XXL free standing oven

1

- 60-litre XXL cooking chamber for large portions with interior lighting
- perfect, crispy pizza thanks to the extra-large pizza stone included in delivery (ø 30.5 cm) and upper/lower heat function
- easy preparation of grilled chicken with the grill function, including spit and automatic spit turning mechanism
- a range of prepping options, from French fries to cake thanks to top/bottom heat and circulating air functions, and grill rack and baking tray
- Output approx. 2,200 W

TO 2058

42 L

Capacity

Free standing oven

1

- incl. pizza stone and convenient roasting spit for meat and poultry
- optimum, even cooking and baking results thanks to circulating air function
- incl. pizza stone measuring 29 cm in diameter
- 4-stage switch (upper heat – upper heat with spit – lower heat – upper and lower heat with circulating air)
- Output approx. 1,800 W

Art. No.	Description	PU	GTIN

Surprisingly
versatile for the
modern kitchen.

Microwaves

4-IN-1 MICROWAVE (PIZZA EXPRESS)

MW 7778

4-in-1 Microwave with double grill and pizza express function

1

25 L

Capacity*

*according to manufacturer's specifications

- No preheating, no defrosting! Perfectly baked pizza in only 10 minutes**
The Pizza Express function makes pizzas up to 50%** faster than in a conventional oven.
- Perfect baking results due to double grill and top and bottom heat. The second grill underneath the turntable ensures crispy pizza bases, bread rolls, cakes, etc.
- For more even heat distribution thanks to ultra-hot air function up to 230 °C.
Multifunctional baking and preparation, including preheating function.
- Including non-stick coated rotary plate (ø approx. 28 cm). Perfect for homemade pizza and frozen pizza.
- Output: Microwave approx. 900 W /
Grill approx. 1,650 W / Hot air approx. 2.150 W

**depending on pizza size and desired baking result

MICROWAVES WITH GLASS BASE

MW 7777

3-in-1 Microwave with glass base

1

25 L

Capacity*

*according to manufacturer's specifications

- Innovative, full-surface glass base with microwave reflector.
For even heat distribution and perfectly cooked food, completely without a turntable.
- Due to 80% larger capacity** also suitable for large dishes. Perfectly suitable for square casseroles and large plates.
- Effortless and absolutely uncomplicated cleaning. The full-surface glass base can be easily cleaned with a cloth.
- Innovative cooking on two levels.
The slide-in grill enables simultaneous defrosting or cooking on two levels.
- For more even heat distribution thanks to ultra-hot air function up to 230 °C.
Multifunctional baking and preparation, including preheating function.
- Output: Microwave approx. 900 W /
Grill approx. 1,200 W / Hot air approx. 2.050 W

**compared to conventional microwaves with rotary plate [MW 7752]

so that even frozen dishes can be gently heated.
- **30 minutes timer with end signal**
- **Heat resistant and painted interior**
also suitable for effortless cleaning.
- **Handle and knob with chrome elements**
- Output approx. 700 W

Electrifying.
Ready to use. Clever.
Typically eBBQ.

SEVO SMART CONTROL

PG 8139

SEVO SMART CONTROL GTS

1

- **Smart grilling** – Thanks to the smart app control, even complex dishes are possible!
- **Low and slow** – Thanks to the 3-zone heating technology and lid, no grilling wishes remain unfulfilled (suitable for pulled pork or spare ribs).
- **fast grill start**: from 0 to 500 °C in just 10 minutes
- **BoostZone** – 500 °C for perfect searing.
- **Perfect Steak** – the perfect steak is easily achieved using the individual heating zones.
- **guaranteed success thanks to exact temperature settings** in the digital OLED display with integrated timer & integral core thermometer
- **no risk of burns on any surface** thanks to SafeTouch housing
- separate, extremely robust stand with two storage tables and one storage rack
- Output approx. 3.000 W

PG 8138

SEVO SMART CONTROL GT

TABLE-TOP GRILL WITH HOOD

PG 8541

Table-top grill with hood

1

- hood with integrated thermometer for grilling sausages, steaks, vegetables – everything is possible
- grill plate with ceramic coating: durable, scratch-resistant and easy to clean
- high capacity thanks to the large grill surface with a 41 cm-diameter (approx. 1,320 cm²)
- 2.8 m-long power cord for increased flexibility
- also suitable for use as a table-top barbecue grill
- smooth and grooved grill surface for meat, vegetables and the perfect searing
- Output approx. 2.000 W

CITY BARBECUE GRILLS

PG 8554 **NEW**

Table grill with grill rack

2

- high-quality stainless steel grill rack for perfect grilling
- **Simple operation**
set the temperature using temperature control
- easy cleaning thanks to the many removable components
- **Fast heating times**
For fast and flexible use
- Output approx. 2,300 W

PG 8556 **NEW**

Table grill with grill plate

2

- high-quality aluminium die cast grill plate for perfect grilling
- **Simple operation**
set the temperature using temperature control
- easy cleaning thanks to the many removable components
- **Fast heating times**
For fast and flexible use
- Output approx. 2,300 W

PG 8566

Table-top grill with grill rack

2

- plug-and-grill: Fast grilling enjoyment thanks to the short heating-up times - indoor & outdoor
- no risk of burns. SafeTouch housing eliminates the danger of burns on all surfaces
- high-quality stainless steel grill rack for perfect grilling
- easy cleaning thanks to the many removable components
- minimized smoke due to water in the grill bowl
- Output approx. 2,200 W

PG 8565

Table grill with grill rack

2

- plug-and-grill: Fast grilling enjoyment thanks to the short heating-up times - indoor & outdoor
- no risk of burns. SafeTouch housing eliminates the danger of burns on all surfaces
- high-quality stainless steel grill rack for perfect grilling
- easy cleaning thanks to the many removable components
- minimized smoke due to water in the grill bowl
- Output approx. 2,200 W

PG 8568

Table-top grill with grill plate

2

- plug-and-grill: Fast grilling enjoyment thanks to the short heating-up times - indoor & outdoor
- no risk of burns. SafeTouch housing eliminates the danger of burns on all surfaces
- high-quality aluminium die cast grill plate for perfect grilling
- easy cleaning thanks to the many removable components
- minimized smoke due to water in the grill bowl
- Output approx. 2,200 W

PG 8567

Table grill with grill plate

2

- plug-and-grill: Fast grilling enjoyment thanks to the short heating-up times - indoor & outdoor
- no risk of burns. SafeTouch housing eliminates the danger of burns on all surfaces
- high-quality aluminium die cast grill plate for perfect grilling
- easy cleaning thanks to the many removable components
- minimized smoke due to water in the grill bowl
- Output approx. 2,200 W

THE WURSTER

WT 5005

The WURSTER#2

1

- quick and easy cooking of two sausages broiled on all sides in only five minutes
- optimum barbecuing experience with the "thick sausage" and "thin sausage" programmes and individual time settings
- high-quality LED display shows the remaining barbecuing time
- easy cleaning – all stainless steel inserts are easy to remove and dishwasher-safe
- Output approx. 2,000 W

PLANCHA GRILLS

PG 8564

Table grill plancha

2

- **Meat, sea food and vegetables** – The combined grill plate with ribbed and smooth surface makes the plancha grill suitable for any grilled food. Dripping meat juices or fat are collected in the drip tray.
- **Immediately ready for use** – No time-consuming barbecue preparations, the temperature is steplessly adjustable via the rotary knob. After a few minutes, the grilling fun can begin.
- **Healthy alternative with reduced smoke development** – The non-stick coated plate of the table grill only needs to be lightly greased for best plancha grilling results.
- **Easy Clean** – Easy cleaning due to the modular design.
- Output approx. 2,000 Watt, Grill surface 30 x 50 cm, die cast aluminum grill plate, easy to operate thanks to the intuitive temperature control with LED light ring, incl. windshield

TEPPANYAKI GRILLS

KG 2397

Teppanyaki grill

2

- **multi-functional** suitable for meat, fish and vegetables, and ideal for Japanese "teppanyaki"
- **high-quality, non-stick coated XXL die-cast plate** (approx. 2,052 cm²)
- detachable fat collection tray
- Output approx. 2,200 W

AUTOMATIC GRILLS

KG 2395 **NEW**

Automatic grill

2

- For every grilling taste
7 different automatic programmes and one manual grill programme
- Perfect Steak
sensor detects the thickness of the food and indicates when different cooking levels are reached.
- Can be used as a contact grill as well as a table grill
thanks to the fold-out grill surface
- Practical on/off switch
- Practical grease drip tray
on the back of the appliance
- Output approx. 1,800 W

KG 2392

Automatic grill

2

- multi-functional for meat and vegetables, for conjuring up paninis and toasted sandwiches with typical grill patterns and for gratinating bakes
- can be folded out for an extra-large grill surface (approx. 27 x 24 cm) and locks into position for gratinating
- non-stick coated grill plates
- Output approx. 1,800 W

KG 2389

Automatic grill

3

- multi-functional for meat and vegetables, for conjuring up paninis and toasted sandwiches with typical grill patterns and for gratinating bakes
- can be folded out for an extra-large grill surface (approx. 30 x 45 cm) and locks into position for gratinating
- non-stick coated grill plates
- Output approx. 1,800 W

KG 2394

Compact multi grill

6

- multi-functional and for every taste: perfect for preparing meat, paninis, poultry, vegetables, etc.
- space-saving slim design, ideal for small households: quickly ready to use and easy to store
- Output approx. 800 W

SANDWICH TOASTER

SA 2968

Sandwich toaster

4

- **3-in-1 function** thanks to interchangeable plates: sandwich plates, grilling plates, Brussels waffle plates
- **non-stick coating** prevents food from sticking and makes cleaning easier
- **pilot standby light and ready-to-use indicator** for precise cooking time control
- Output approx. 1,000 W

SA 2969

Sandwich toaster

6

- **non-stick coating** prevents slices of toast from sticking and makes cleaning easier
- **pilot standby light and ready-to-use indicator** for precise toasting time control
- **heat-insulated handle** with locking clip
- Output approx. 600 W

RACLETTE GRILLS

RG 2374

Raclette grill with natural grill stone

2

- natural grill stone stores the heat particularly well and for a long time, which means that the food is gently cooked, making it tender and juicy
- **incl. 8 raclette pans**, non-stick coating makes it easier to remove the gratinated ingredients and guarantees easy cleaning
- **continuous heating coil**
- Output approx. 1,700 W

RG 2373

Raclette grill with natural grill stone and grill plate

2

- natural grill stone stores the heat particularly well and for a long time, which means that the food is gently cooked, making it tender and juicy
- **non-stick coated reversible grill plate** for healthy grilling without the addition of external fat
- **incl. 8 raclette pans**, non-stick coating makes it easier to remove the gratinated ingredients and guarantees easy cleaning
- Output approx. 1,700 W

Mini raclette grill

6

- non-stick coated grill plate
- grill surface dimensions approx. 21 x 21 cm
- incl. 4 raclette pans with non-stick coating
- compact and easy to store
- Output approx. 600 W

4 008146 036804

RACLETTE-FONDUE COMBI APPLIANCE

RG 2348

Raclette-fondue combi appliance

2

- Convenient 2-in-1 raclette and fondue combination versatile grilling pleasure for up to 8 people, all from a single appliance
- high-grade stainless-steel design and XXL power cord approx. 2 m in length
- two separately adjustable heating elements for raclette and fondue functions
- dishwasher-safe stainless steel fondue pot
- includes a hot-stone (approx. 13 cm across)
- Output approx. 1,900 W

4 008146 028519

FONDUE SETS

FO 2470

Fondue set

4

- for different types of fondue
- removable stainless steel pot with min./max. mark
- stepless thermostat for heating and then keeping warm
- removable splash guard with locking device
- dishwasher safe
- incl. 8 fondue forks, color-coded for optimal differentiation
- Output approx. 1,500 W

4 008146 036903

FONDUE-CRÊPES COMBI APPLIANCE

FO 2471

Fondue-crêpes combi appliance

4

- **additional crêpes platter:** simply place on the device, for delicious crêpes of your choice
- **removable stainless steel pot** with min./max. mark
- **stepless thermostat** for heating and then keeping warm
- **removable splash guard** with locking device
- **dishwasher safe**
- **incl. 8 fondue forks**, color-coded for optimal differentiation
- Output approx. 1,500 W

4 008146 036941

CRÊPES MAKER

CM 2199

Crêpes maker

4

- Crêpes pan with high-quality ceramic non-stick coating, prevents dough from sticking
- **select the right temperature** for every occasion
- preparation of crêpes and galettes using the XXL crêpes pan (ø approx. 38 cm)
- **easy cleaning** thanks to innovative, removable grill plate
- Output approx. 1,500 W

4 008146 036545

CM 2198

Crêpes maker

4

- **large crêpes pan** measuring approx. 30 cm in diameter
- **variable temperature control** for precise regulation of desired browning intensity
- **incl. wooden dough spatula and crêpes flipper**
- **multi-functional** for sweet crêpes and savoury galettes
- **Non-stick coating** prevents dough from sticking and makes cleaning easier
- Output approx. 1,000 W

HV 7146

4-in-1 battery-operated handheld vacuum cleaner

4

- Up to 50% longer running times* than conventional battery-powered vacuum cleaners the powerful 18.5 V Li-Ion battery allows a runtime of up to 30 minutes.
- With rotating turbo brush and practical LED lighting ideal for cleaning upholstery, car seats and for removing animal hair.
- With integrated „Wet & Dry“ function ensures effortless absorption of dust or liquids.
- Separate wall mount incl. charging station and practical 4-in-1 accessories consisting of: turbo brush and a crevice nozzle with attachable furniture or rubber attachment for liquids.

*compared to SEVERIN HV 7144

HV 7144

3-in-1 battery-operated handheld vacuum cleaner "S'POWER" home & car Li 20"

4

- High-performance thanks to 7.4 lithium-ion battery
- Picks up dust and liquids – easy, fast and flexible to use
- At home and on the go: includes 12 V charging cable for cigarette lighter

VACUUM CLEANER WITH BAG

BC 7052 **NEW**

Vacuum cleaner with bag »Home & Car«

1

- Powerful and energy-saving premium floor nozzle and electronic power regulation for energy-saving use and perfect cleaning of various surfaces.
- Very pleasant working atmosphere thanks to a low noise level of 74 dB (A).
- Smart and flexible "click-brush" system innovative parquet nozzle ensures quick changeover to upholstered furniture via pedal lever.
- High allergy friendliness thanks to HEPA 14 filtration, the exhaust air is particularly clean and allergy-friendly
- Extensive scope of delivery: XXL upholstery nozzle, flexible crevice nozzle, click-brush system, crevice and furniture attachment as well as accessory holder on the suction tube.
- Output 850 W
- Action radius 9 m

ROBOT VACUUM CLEANER

RB 7025

**Robot vacuum cleaner "chill®"**

4

- Cleans hard floors and low pile carpets – easy and flexible to use
- Wide range – up to 100 m² / 90 min.
- Extra-quiet – just 65 dB(A)
- Lithium ion battery (12.8V, 1,300 mAh)
- Particularly flat design for cleaning under furniture – just 7 cm high
- 3-stage cleaning programme

STEAM CLEANER

SC 7145

**2-in-1 steam cleaner with combi accessories**

1

- Ideal for all types of hard floors
Perfect cleaning results of parquet, vinyl and even tiles.
- With practical combi accessories
always clean hobs, bathroom taps, windows as well as outdoor furniture.
- Eliminates 99.9 % of all bacteria and removes even stubborn dirt
only with the use of steam and a heating time of only 15 seconds.
- Gentle on the environment
no chemicals or detergents are needed for use.
- Extra long range thanks to 8 m cable

SC 7142

**2-in-1 steam cleaner with multipurpose accessories**

1

- Ideal for all kinds of hard floors
perfect cleaning results on parquet, vinyl and even tiles.
- With convenient 2-in-1 function
simply use as a hand cleaner – always clean hobs, bathroom faucets and much more.
- Eliminates 99.9% of all bacteria and removes even the toughest dirt
only with the use of steam, with only 20 seconds of warmup time.
- Gentle for the environment
no chemicals or cleaning agents are required for use.
- Extra long range thanks to 7m long cable
- Output 1,500 W

STEAM IRON

BA 3210

Steam iron

6

- ceramic-coated , non-stick soleplate: ultra-smooth, scratch-resistant and easy to clean
- powerful shot of steam up to 70 g/min. smooths even stubborn creases
- variable steam output up to 30 g/min. for efficient smoothing
- anti-scale system prevents lime deposits
- anti-drip function prevents water stains
- Output approx. 2,500 W

BA 3243

Steam iron

6

- ceramic-coated , non-stick soleplate: ultra-smooth, scratch-resistant and easy to clean
- powerful shot of steam up to 70 g/min. smooths even stubborn creases
- variable steam output up to 30 g/min. for efficient smoothing
- anti-scale system prevents lime deposits
- anti-drip function prevents water stains
- Output approx. 2,400 W

BA 3261

- Steam iron**
- robust stainless steel soleplate with highly efficient heat retention
 - powerful shot of steam up to 85 g/min, smooths even stubborn creases
 - variable steam output up to 30 g/min. for efficient smoothing
 - detachable water tank
 - anti-scale system prevents lime deposits
 - anti-drip function prevents water stains
 - Output approx. 2,400 W

6

BA 3234

- Travel steam iron**
- robust stainless steel soleplate with highly efficient heat retention
 - switchable multi-voltage of 115/230 V facilitates use in numerous countries
 - foldable handle for simpler transport
 - vertical shot of steam up to 40 g/min.
 - Output approx. 1,000 W

6

DRY IRON

BA 3211

- Dry iron**
- polished aluminium soleplate glides effortlessly over clothes, even reaching tight corners
 - variable temperature control including care symbols
 - light-weight at just 600 g
 - Output approx. 1,200 W

6

LINT SHAVER

CS 7976

- Lint shaver**
- ideal for the easy removal of fluff or bobbles
 - incl. spacer for coarser woollen surfaces
 - cordless battery operation, 2 "C" baby cells included
