EAN	4008146034725
Further special features	- Net volume (in l): 80 - Climatic class: N-ST - Bulb type: LED - Noise generation (in dB): 41

Product details

Storage space on 6 wooden shelves With 80L of usable capacity, space for up to 28 bottles.

A strong dualzone due to two parallel adjustable temperature zones, different wines become pure pleasure at 5 to 12°C and 12 to 18°C.

Modern touch control The display on the outside of the door makes it easy to operate the wine cooler.

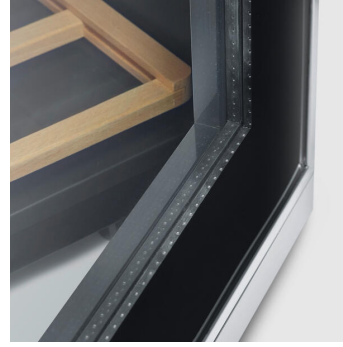

Optimal storage The wine cooler is equipped with extra-sturdy wooden shelves, which are especially user-friendly thanks to the pull-out function.

High quality design Thanks to stainless steel frame and handle a real eye-catcher!

SuperSilent With only 41 dB(A) the wine can be cooled in silence.

Longer durability Tinted glass and double glazing protect the wine and absorb some of the UV rays to prevent chemical reactions.
