Product details

Retro design

The timeless retro design is a real eye-catcher in any kitchen and impresses with its intense colors.

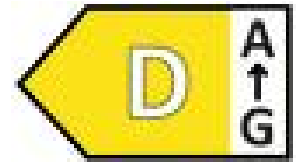

Sufficient storage space

Thanks to 244 liters of usable capacity and a large veggie box for optimum storage of fruit and vegetables.

High-quality materials

The refrigerator impresses with high-quality materials, such as chrome-plated metal door handles, glass frames, storage trays and door covers.

Good for the environment and your wallet

This fridge-freezer combination not only looks good, but also consumes little electricity. So you not only protect your household budget, but also the environment.
