

KM 3897 Kitchen Robot

- Robust high-quality design, made of die-cast aluminium:
For secure stable use, even with heavy items.
- Large stainless steel bowl with 5.5l capacity and planetary mixing system:
For smooth, even mixing results, to prepare up to 3 kg cake batter/1.5 kg dough.
- Includes a high-quality dough hook, flat beater and whisk for a variety of uses:
For preparing beaten egg whites, whipped cream, pizza and bread doughs, and much more.
The accessories can be cleaned easily in the dishwasher.
- There are two practical display modes to make it easier to prepare food:
Countdown mode: After a preset preparation time period has elapsed, the food processor stops automatically.
Timer mode: The current preparation time is displayed
- Additional splash guard with filling chute:
Helps to keep your working area clean, and makes it easier to add your ingredients.

Overview of important data
